Veldhof introduces Series 02

VOORBEELDSTAD - Veldhof today launches Series 02: a range built entirely from reusable parts, with every part replaceable on its own.

"We wanted to build something you do not have to throw away when one part breaks", says the Veldhof spokesperson.

Availability

Series 02 will be available from November at participating retailers.

Notes to editors

- High-resolution imagery is in the 'Productbeelden' folder.
- Logos are in the 'Logo's' folder, in colour and reversed.
- This is a sample press release by downloadlink.nl. Veldhof, Series 02 and Voorbeeldstad do not exist.
